

# Alexander Tryba

Managing Partner at Main5

---

Alexander Tryba has been working as a consultant for the pharmaceutical industry since 1994. During his more than 20 years as a consultant, he has managed and contributed to numerous projects in the life science industry - e.g. in the areas of regulatory, pharmacovigilance, clinical, laboratory, quality and IT.

He holds a degree in Electrical Engineering from the University of Applied Sciences in Frankfurt am Main, Germany, with a focus on Computer Science and Business Administration.

Alexander Tryba is a co-founder and partner of MAIN5, a consulting firm founded in 2013 and based in Frankfurt, Germany.

He is a member of the International Society for Pharmaceutical Engineering (ISPE), the German Quality Management Association (GQMA), the German Society for Quality (DGQ) and the Association of German Engineers (VDI).
